CS EDUCATION

STUDY CONTINUOUSLY AT HOME!

Even though this year's NAPLAN tests have been cancelled, the Autumn Holiday period is the best opportunity for these students to learn new writing skills, strengthen previous knowledge and gather new knowledge to achieve outstanding results in these upcoming tests. Please keep in mind that results from these tests do affect your child's school marks in the OC and Selective High Schools Test.

Our Special Online Autumn Holiday Course will be held from 14 –17 & 20 April.

This course will include intensive consolidation work in preparation for **2021 Selective High Schools Test, 2020 OC Placement Test.**

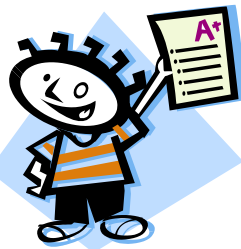

Enrol in our **NAPLAN Online Trial Tests Course (21 - 22 April; Year 3 & 5)**

All courses will focus on improving writing skills as well as reading comprehension, language conventions, general ability and mathematics for all upcoming tests.

This holiday course will also provide elementary preparation, revision & reinforcement for the new term.

Begin next term with confidence to succeed academically with CS education..
