

SPECIAL 7 EXTRA SETS OF OC TRIAL TEST (YEAR 4)

(25 JULY – 8 SEP 2020)

OC PLACEMENT TEST DATE: 16TH SEPTEMBER 2020

Recently the New South Wales government has announced changes to the 2020 opportunity class placement process to accommodate the shorter timeline due to the postponement of the test.

CS Education has prepared 7 extra sets of trial tests on top of the existing ones in the O.C. trial test course. Since the score will be based entirely on the exam, it is essential that students practice and study as much as possible for the test to ensure the best outcome possible.

CS Education has fully analysed the changes and improvements proposed and is ready to meet the students' needs

This Trial test are carefully prepared according to 2012 – 2019 past paper questions so that students are aware of the latest questions being tested in recent years and hence benefit the most from attending this course.

This course will provide students with the information and tools which can be used to improve their overall confidence and preparedness for the OC Placement Test in 2020.
